

... ANOTHER SOLUTION

MOTION CONCEPTS HAS YOUR BACK ■

ADVANTAGES OF *matrx* SEATING ON YOUR POWER POSITIONING SYSTEM

- All but the Standard Rehab back is HCPC coded!
- Integrated and easily adjustable hardware
- Proper installation by our trained staff - Each back is designed to compliment power positioning system function

STANDARD REHAB BACK

Standard, no charge option with all Motion Concepts Power Positioning TRx Seating systems.

ADJUSTABLE "I" BACK

Multi-adjustable interface for after market backs on ESR and PSB systems. HCPCS coding is pending.

Full Back Option

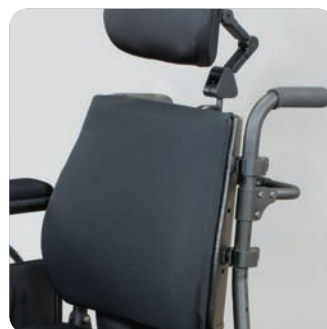

MATRX PB BACK

The MaTRx-PB Posture Backs are contoured to provide midline support and positioning. Available in 5" standard or 7" deep contour.

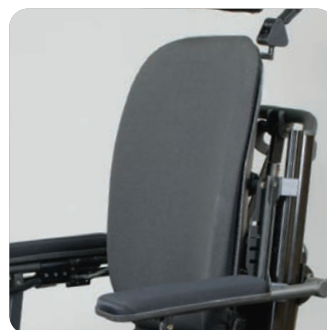

HIGH BACK

High Back is a stylish option with built-in head support - ideal for tilt/recline applications.

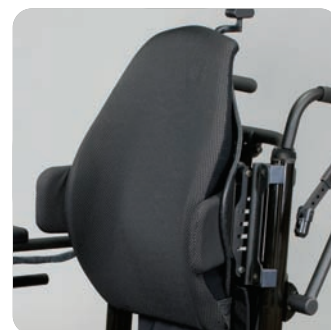

CONTOUR BACK

Contour back provides comfortable back support with a limited amount of adjustability for users with basic positioning needs.

MATRX ELITE BACK

The MaTRx Elite backs feature 3" of contour depth for comfortable midline support. Lateral supports are available for additional hip/trunk support. Scapular cutout or optional Full Back model for extra shoulder support.

BACKS	Seat Widths	Heights	Weight Capacity
